

L. Michielssen LTD

L. Michielssen, Meat Products LMJ, is the manufacturer of an extensive gamma of fine assorted cold meat products, all prepared artisanally based. In 1969 Louis Michielssen started producing the famous regional product : Filet d'Anvers. Our structured production plant, recently moved to Schoten, qualifies itself by its flexibility, its extreme punctuality and its drive to use the latest innovation technology. It goes without saying that our new infrastructure meets all requirements of the most demanding IFS standards.

May we present ourselves, Meat Products LMJ, as your future partner!!!
